Lottery Update

Cumberland County ABC usually conducts a Holiday Lottery during the months of November and December for Pappy Van Winkle and other rare Allocate Items. If a lottery is occurring this year information will be posted on this page of our website. Check back for updates.

Allocated Items

Due to numerous request to just place Allocated Items in the stores unannounced, here is a list of Allocated Items that will be randomly placed in our stores throughout the remainder of the year.

Please Note:

- Not all items will be in every store
- Supply is very limited with some items only having 1 bottle
- On some days' stores may have no bottles available while other days' multiple bottles will be available.
- No notification will be announced in advance, so Good Luck
- Limit one bottle per customer
