A big Thank You to everyone who stopped by our last Allocated event on September 12th. Your patience and courteous behavior was greatly appreciated by the stores. It seems nice to be able to have these type of Allocated events without banning someone for 5 years or life, which we have occasionally had to do in the past due to poor behavior or not respecting our guidelines. Keep up the outstanding behavior.

We anticipate our next Allocated event will be sometime in late November to early December. That event would be the annual Holiday Lottery.

For Allocated items of Buffalo Trace, Eagle Rare, and Blanton's..... those items are randomly placed in our stores each month based upon availability.
